

2026 10th International Conference on MEDICAL AND HEALTH INFORMATICS

Theme: One World: A Decade of Collaborative and Sustainable Medical Informatics

May 15-17, 2026 | Kyoto, Japan

Conference Website: <https://www.icmhi.org/>

Submission Deadline

December 10, 2025

We are pleased to announce that 2026 10th International Conference on Medical and Health Informatics (ICMHI 2026) will be held in Kyoto, Japan during May 15-17, 2026. The ICMHI 2026 aims to bring together outstanding scholars, researchers, and students to exchange and share their experiences and research results about all aspects of Medical and Health Sciences. We also provide the keynote address and several plenary invited speeches to discuss the most recent innovations, trends, and concerns, practical challenges encountered and the various solutions in the fields of medical and health informatics. We cordially welcome all experts of industry, academia and government from all over the world to contribute to and help shape this conference through submissions of their research abstracts, papers and posters. Eventually, the ICMHI 2026 facilitates interdisciplinary collaboration and exchange among technologists internationally.
